ORDER

This case is before the court on the defendant's Motion for a Detention Hearing [44].
The motion is denied.

After reviewing the defendant's motion, I find no new evidence that would cause the court to change its initial Order of Detention [27]. This is especially true given the defendant's history of drug abuse, his numerous failures to appear and his significant prior criminal record.

IT IS ORDERED:

1. The defendant's Motion for a Detention Hearing [44] is denied without hearing.

Dated this 5th day of June, 2018.

BY THE COURT:

United States Magistrate Judge
